NOVUM OFFICE

FLEXIBLE MODULAR BUILDING
THAT MOVES TO YOU

THE WORKPLACE OF THE FUTURE TODAY

AN OFFICE FOR EVERYONE'S BENEFIT

Today's hybrid work environment presents new challenges for many organizations.

The office environment plays a crucial role in fostering collaboration, building culture, and driving the organization forward.

By renting our spacious and flexible office modules, you can create an inspiring meeting place where your employees choose to be.

An office where everyone can thrive and perform at their best - whether it's about shared creativity or focused individual work.

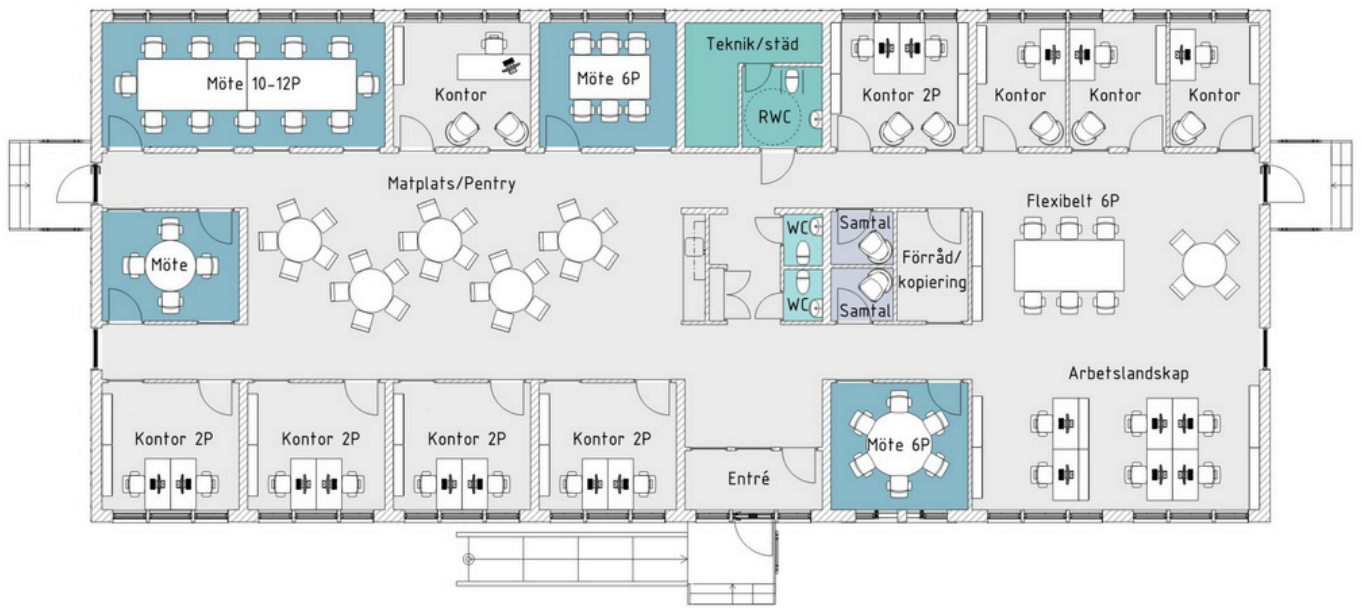

NOVUM OFFICE - BRIGHT, AIRY SPACES WITH A COMFORTABLE INDOOR CLIMATE

Smart spatial design, the option for two wide and accessible corridors, and large window areas that let in generous natural daylight are just a few of the advantages of our spacious NOVUM office modules.

As standard, we also offer interior glass partitions, premium acoustic ceilings, smart lighting, and a top-class ventilation system with the ability to control different temperature and lighting zones.

A PLACE FOR WELL-BEING AND PRODUCTIVITY

SMART LAYOUT

Space for individual focus or collaborative work

SAFE AND ACCESSIBLE SPACES FOR EVERYONE

CONDITIONS CHANGE OVER TIME

With a flexible rental solution from Novorent, we can easily adapt your office to your changing needs. Our modular buildings can expand or downsize in step with your evolving circumstances.

Novorent is a reliable partner who supports you every step of the way. Together, we create the best sustainable space solution for your organization.

Get in touch - we'd love to tell you more, or visit our Swedish website at www.novorent.se

Novorent was founded in 2019

We offer a newly developed premium modular system that meets today's building regulations and the market's demands for modern, sustainable, and relocatable spaces.

Behind the company – which operates in both Sweden and Finland – stand strong, long-term owners.

All Novorent employees have extensive and solid experience in the modular rental industry.

All modules are manufactured in Sweden
